

As you know, our biggest fundraiser is parking cars during the fair. This is a big project for us and we need everyone's help. The shifts are usually about 2-4 hours long. It is a great way to get to know the other Kiwanians and let the community see how much we do. Can you spare a few shifts to help out? The dates for the fair are Sept 4-27. The fair is closed Tuesdays and September 9th. Please check your calendar and the sign up sheet will be circulating soon. There are a few shifts left that we need to fill. We have been doing very well so far this year.

The Rodeo Parade was very successful. Thank you to all of you who participated and helped out. It takes an army and do we ever have a great leader! A big thank you to Jim Hansen and all the people who help him. Together you make a great team.

The cattle behaved themselves and there were many smiles on faces along the streets. Another year in our great City of Puyallup!

We recently learned that our long time member Carl Vest passed away sometime in the past few weeks. He was a Kiwanis Member for many years and lived a full life to 98 years old!

Highlights of YCPO in 2025-2026

Youth Services has extra in their budget and just let us know this week we are going to help spend the balance of their money. There's about \$700 left, and will put it to good use.

We are a group who really puts a lot of thought into how we spend our money and look for ways to make it stretch. Thank you to all the committee members. If you want to join, we'd love to have you!
